

# The Secret's Out!

## **FLEET REMARKETERS NOW SELL CARS AT AUCTION...**

### **...MUCH FASTER, and AT HIGHER PRICES!**

Over the years, many auction chains including MANHEIM AND ADESA have made this unique insurance product available to you.

It's called "**AVRG**" ("Auction Vehicle Repurchase Guaranty"), guaranteeing the repurchase of your vehicles for **95% of the purchase price** paid at the auction, between the 60th and 67th day from the date of purchase.

This auction/vehicle repurchase "guaranty" is insured by an AM Best "A" Excellent rated insurance carrier.

Thousands of these "guaranteed for repurchase" vehicles have passed through the auctions over the past few years- and the fleet sellers have substantially boosted their profits. **Why not you?**

**At the price of only a few dollars** ( actually, a tiny fraction of the vehicle's auction sale price), the seller will often experience an **additional profit** on the sale of that car of as much as **5% to 10%! No kidding!**
