

# Are you *losing* **SALES** because your customers can't produce proof of insurance?

**Thousands of dollars in revenue are lost daily just because of this issue...and now we have solved this problem!**

With **Spot Sale Insurance**...

underwritten by an **AM BEST "A" EXCELLENT RATED 50-STATE INSURANCE CARRIER**

You will receive immediate coverage instantly when completing the web-based application, for any passenger vehicle you sell or lease. No underwriting. Everyone drives!

**No more disappointed customers, no more losing profitable sales and frustrated Sales Managers.**

**The process of insuring is simple:**

- Complete a quick online application form
- Click Submit
- The binder is instantly processed
- The customer signs on the dotted line!

It's really that quick and easy. Both you and your customer are instantly covered for 4 to 30 days with the necessary liability and physical damage insurance. **There is no cost to enroll in our program. No insurance license required.**

**What this does for you:**

- The Dealer's liability is relieved
- The Lender's collateral is protected
- When the car is driven off your lot, the sale is complete and the insurance policy is in force.

Payment is made directly to **Insurance Company**. In many states the dealer may pass along the total cost directly to the customer.

**Don't lose another sale**  
because of the lack of insurance coverage, when it is  
**just a click away. Stop the loss of profitable sales...  
especially on weekends and holidays...and get  
more cars driving off your lot by acting now!!**
